

NILAY PATEL

SKILLS

I am not just good at them, but I admire my skills in HTML5, CSS3, DOM Scripting, JavaScript, jQuery, AngularJS, and Firebase. These are just very limited, but the ordered list would expand beyond this page.

OBJECTIVE

Seeking an employer who is as awesome as me. I am seeking an employer who shares my passion and opinions.

EXPERIENCE

Sales Associate | Belks | Oct 2017 - Current

Responsible for leading the Ladies Shoes Department. High sales is one goal, but customer satisfaction is a bigger goal than that.

Assistant Manager | Subway | Jan 2015 – August 2017

Successfully supervised a team of 6 employees. Recruited and trained all new employees. Responsible for Subway's digital menu management and new self-ordering kiosk.

EDUCATION

Web Developer | January 2018 | Bloc.io

Finished all coursework and reinforcements checkpoints with excellence. One of few students to score 100% on the unit assessments.

B.A in Bio | July 2017 | University of Maryland, Baltimore County.

Minor in Computer Science and Bioinformatics. Member of Hindu Student Council and UMBC Pre-med Society.

To name a few, I learned OOP, Data Structures, Databases, Malware Analysis, and Virtual Machine.
